THE ARGENTINA EXPERIENCE

and

WDC WORLD PRO-AM CHAMPIONSHIP 2007

"UNPRECEDENTED GOVERNMENT, POLITICAL RECOGNITION & SUPPORT"

Dancers from around the World will be in Buenos Aires at this exciting new event.

With well over 100 dancers from the USA along with competitors from 12 other countries; (50 people from South Africa and another 50 from Japan alone!), participants including 18 from Argentina and Chile, will participate in this ground breaking First Official WDC World Pro-Am Championship.

This event has united the Pro-Am dance world.

Today we learned that their Excellencies, The Ambassadors of the USA, Russia, Ukraine, China, Japan and Switzerland will all be present at the event along with Ministers from the highest level of the Argentine Government. The World Dance Council is honoured that this event has been recognized by representatives of the Governments of these countries as the Official WDC World Pro-Am Championship.

The Government of Argentina has issued notice to all Embassies worldwide to issue visas for "This important cultural event".

On January 12th the Conseil Danza de Argentina released spectator tickets to the public. They were entirely sold out in one day.

Network television has contracted to cover the event; Nippon Television alone is sending 8 cameras and 20 crew will record the Championships for airing on 30 channels on March 26th. In addition Hollywood Film Producer, Chris Patton, Executive Producer with "Dark Horse Entertainment" (The Mask, Hellboy, etc.) will be making a documentary film of the event.

40 important other media, (newspapers and magazines) will be covering this historic project and a press and photography room has been donated by Starwood Hotels group.

This is unprecedented coverage for our industry and it is particularly gratifying that such recognition will finally be bestowed upon Pro-Am competitors!

WDC WORLD Pro-AM SERIES

The WDC is humbled by the unprecedented recognition and support from the Dancers, Leading Adjudicators, Dance Organizations and Governments of Countries around the globe for our event. Thank you!

We have sympathy for the fact that, due to sell-out problems so many of the people who wanted to attend the Argentina event were unable to secure inclusion for this prestigious project which has exceeded even the most optimistic of projections, but we are currently finalizing plans to develop the WDC World Pro-Am Series. There will be a WDC event near you soon!
